

# Jay M. Dutton, MD, FACS

## Address

Rush University Medical Center  
1725 W. Harrison Suite 340  
Chicago, IL 60612  
Phone: (312) 664-6715  
Fax: (312) 563-0165  
E-mail: [jaymdutton@gmail.com](mailto:jaymdutton@gmail.com)  
Website: [www.midwestsinuscenter.com](http://www.midwestsinuscenter.com)

## Education

1990 BS in Biology (with High Honors), Indiana University  
Graduated *Phi Beta Kappa*  
1994 MD, The University of Iowa  
Otolaryngology “Medical Student of the Year” 2004  
1995 General Surgery Internship, Butterworth Hospital, Grand Rapids, MI  
1999 Residency, Otolaryngology-Head & Neck Surgery, The University of  
Iowa Hospitals & Clinics  
Selected as Chief Resident, 1998-1999.  
2000 Fellowship, Advanced Rhinology & Facial Plastic Surgery, Rush  
University Medical Center

## Certification & Licensure

Board Certified, American Board of Otolaryngology (2000)  
Board Certified, American Academy of Facial Plastic & Reconstructive Surgery  
(2013)  
Illinois Medical Licensure, 336-100227 (1999-present)  
Fellow, American College of Surgeons (2008)

## Academic Appointments

Associate Professor, Department of Otolaryngology, Rush University Medical  
College  
Chief, Section of Rhinology & Facial Plastic & Reconstructive Surgery (2007-  
2014)  
Clinical Instructor, Midwestern University, Downers Grove, IL (2010-2013)  
*American Journal of Rhinology*, Editorial Review Board (2005-present)

*The Laryngoscope*, Editorial Review Board (2007-present)  
*Otolaryngology Open Reviews* Editorial Review Board (2008-present)

### **Hospital Affiliations**

Rush University Medical Center, Chicago, IL  
\*Admissions Committee, 2001-2002  
\*Medical Care Evaluation Committee, 2002-2005  
\*Graduate Medical Education Committee, 2007-present  
\*EPIC Committee, 2006-2009  
\*Committee on Student Affairs 2007-2011  
\*Clinical Curriculum Committee, 2007-2012  
\* Otolaryngology Advisory Committee, 2006-present  
\*Otolaryngology Chairman Search Committee 2012-2013  
Rush Surgicenter, Chicago, IL  
Good Samaritan Hospital, Downers Grove, IL  
Ingalls Same Day Surgery, Tinley Park, IL  
\*Performance Improvement Committee, 2002-2007  
Midwest Center for Day Surgery, Downers Grove, IL  
Advocate South Suburban Hospital, Hazel Crest, IL

### **Medical Interests**

Advanced Nasal and Sinus Disorders  
Functional and Cosmetic Rhinoplasty  
Anterior Skull Base Surgery  
Facial Plastic & Reconstructive Surgery  
Snoring and Obstructive Sleep Apnea  
General Otolaryngology

### **Professional Memberships**

American Academy of Otolaryngology-Head & Neck Surgery  
\*Course on “Non-Allergic Rhinitis” at Annual Meeting, 2001-2002  
American Rhinologic Society  
\*Information Technology Subcommittee Member, 2002-2005  
\*\* Information Technology Subcommittee **Chair**, 2006 -2009  
\*Patient Advocacy Committee, 2005-2007  
\*Corporate Liason Committee, 2005-2007  
\*Annual Meeting and COSM Program Committee, 2007-2010  
\* ARS Position Paper on Balloon Sinuplasty, 2008.  
\*Historian Committee, 2009-2012  
\*By-Laws Committee, 2009-2012  
\*Education Committee, 2010-present  
American Academy of Facial Plastic and Reconstructive Surgery  
\*Volunteer, “Face to Face” program for domestic abuse victims, 2003-present  
American Academy of Otolaryngologic Allergy  
Chicago Laryngologic and Otologic Society

Illinois Medical Society  
Chicago Medical Society  
American College of Surgeons  
American Medical Association

### **Teaching Activities**

Editorial Board, *American Journal of Rhinology*, 2012-present.  
Director, Otolaryngology resident training in facial plastic and reconstructive surgery, 2002-present.  
Lecturer, Rush University Medical Center Department of Otolaryngology Grand Rounds, 1999-present.  
Lecturer, Rush University Medical Center Department of Allergy and Immunology, 2004-present  
Lecturer, Rush University Medical Center Department of Dermatology, 2007.  
Clinical mentor, Midwest University third year medical student clerkships., 1999-2005.  
Clinical mentor, Rush University second year medical students, 2010-present.  
Lecturer, Rush University Medical Center PA program, 2010-present.  
Journal reviewer, *Laryngoscope*, 2006-present.  
Journal Reviewer, *The Open Otorhinolaryngology Journal*, 2008-present.  
Journal Reviewer, *American Journal Allergy & Rhinology*, 2006-present.

### **Consultant Activities**

Consultant, Medtronic (Xomed) novel endoscopic sinus surgery equipment, 2006-present  
Consultant, Abbott Laboratories (management of acute sinusitis), 2005-2008  
Consultant, Sanofi-Aventis (management of rhinitis) 2007  
Consultant, Medpointe Labs (management of rhinitis), 2007  
Consultant, Glaxo Smith-Kline (management of rhinitis), 2007-2009  
Consultant, Acclarent, 2009-present

### **Publications**

## **Regional and National Presentations**

“Metastatic Cancer to the Floor of Mouth: The Lingual Lymph Nodes,” poster presentation at the Triologic Society Midwestern Section Meeting, Minneapolis, MN, 1998.

“Surfactant Protein A in Rabbit Sinus and Middle Ear Mucosa,” presented to the American Society of Pediatric Otolaryngology, Palm Beach, FL, 1998.

“Management of Acute and Chronic Sinusitis,” presented to the Chicago Medical Society, Chicago, IL, 2000.

“Steroid Injection in the Treatment of Nasofrontal Recess Obstruction,” presented to the American Rhinologic Society “Nose 2000” meeting, Washington, DC, 2000.

“Management of the Orbit in Invasive Fungal Sinusitis,” presented to the American Rhinologic Society Spring Meeting, 2001.

“Non-allergic Rhinitis: A Simplified Approach,” course presentation at the American Academy of Otolaryngology-Head & Neck Surgery Annual Fall Meeting, 2001, 2002.

“Management of the Difficult Sinus Patient,” presented to the National Medical Association, Honolulu, HI, 2002.

“Non-allergic Rhinitis and Rhinopathies,” presented to the National Medical Association, Honolulu, HI, 2002.

“Management of the Rhinologic Headache,” University of Iowa Sinus Course, June 2003.

“Computer-aided Sinus Surgery,” University of Iowa Sinus Course, June 2003.

“The Sphenoid Sinus,” University of Iowa Sinus Course, June 2003.

Moderator, American Rhinologic Society Annual Fall Meeting, Orlando FL, 2003.

Moderator, American Rhinologic Society Combined Otologic Spring Meetings, Phoenix AZ, 2004.

“Platelet Gel in Endoscopic Sinus Surgery,” presented to the American Rhinologic Society annual fall meeting, Phoenix AZ, 2004.

Moderator, American Rhinologic Society Annual Fall Meeting, New York NY, 2004.

“Management of the Rhinologic Headache,” Techniques in Head and Neck Surgery – Otolaryngology: The Course. Rush University Medical Center, June 5, 2005.

“Concurrent Rhinoplasty and Endoscopic Sinus Surgery.” Poster presentation, American Rhinologic Society Annual Fall Meeting, Los Angeles, CA, September 2005.

“Intranasal Z-plasty for nasal valve collapse” Oral presentation, American Rhinologic Society Spring Meeting, Chicago IL, May 2006.

“Endoscopic Anatomy of the Anterior Ethmoid Nerve,” Oral presentation, American Rhinologic Society Annual Fall Meeting, Washington DC, September 2007.

“Endoscopic anatomy of the anterior ethmoid artery,” Chicago Laryngologic and Otologic Society Lederer-Pierce competition, spring 2007.

“Chemical Cautery for Vasomotor Rhinitis,” Chicago Laryngologic and Otologic Society Lederer-Pierce competition, spring 2007.

Moderator, American Rhinologic Society COSM meeting, Orlando FL, 2008.

Moderator, American Rhinologic Society Annual Fall Meeting, Chicago IL, 2008.

“Effect of middle turbinate suture medialization on olfaction”, accepted for oral presentation, American Rhinologic Society Spring Meeting (“Rhinoworld”), Philadelphia, PA, 2009.

“Septoplasty and turbinoplasty: medical management,” moderator, Rhinoworld 2009 (ARS annual spring meeting, April 15, 2009, Philadelphia, PA

“Management of facial pain: endoscopic neural blockade,” moderator, Rhinoworld 2009 (ARS annual spring meeting, April 15, 2009, Philadelphia, PA.  
“Endoscopic Septoplasty”, Sinus Forum 2009, Washington DC, July 2009.  
“An anatomic comparison of minimally invasive nasal valve procedures,” paper presentation, ARS Annual Fall Meeting, 2010.  
Moderator, scientific session, ARS Annual Fall Meeting, 2010.  
“Endoscopic neural blockade for rhinogenic headaches”, ARS Spring Meeting (COSM), Chicago, IL 2011.  
“Management of complications of sinus surgery,” Northwestern Medical Center Endoscopic Sinus Conference, 2011  
“Live Case Conference: New applications in balloon sinus dilation,” Sinus Forum 2011, New York, NY.  
“The role of nasal surgery in obstructive sleep apnea,” Sinus Forum 2011, New York, NY.  
“Functional rhinoplasty” Panel, COSM ARS and AAFPRS joint program, 2012, San Diego, CA.  
“Rhinoplasty: Functional and Esthetic Considerations,” Forum moderator, ARS Summer Symposium July 14, 2012, Chicago, IL.  
“Rhinoplasty: Tip techniques”, panelist, ARS Summer symposium July 2013.  
“Culture results after antibiotic failure in acute rhinosinusitis after endoscopic sinus surgery”, 59<sup>th</sup> Annual Meeting of the American Rhinologic Society, Vancouver BC, September 2013.  
“Rhinoplasty: A Case-Based Approach,” Forum moderator, ARS Summer Symposium, July 19, 2014.

## **Current Research**

“Objective comparison of minimally invasive nasal valve procedures”  
“Medical therapy versus balloon sinus dilation for patients with chronic rhinosinusitis” multicenter study, 2012.  
“Timing of Pediatric Rhinoplasty”  
“Pre-operative 3D computerized tomography for rhinoplasty planning”

## **Community Activities**

Volunteer, American Academy of Facial Plastic and Reconstructive Surgery  
“Face-to-Face” program for victims of domestic abuse. Reconstructive surgery performed on a volunteer basis for patients enrolled in this program.  
Volunteer, ENT/facial plastic surgery medical mission, Dominican Republic, 2007-2012.

Volunteer, Rush University Medical Center Haiti Relief Team, Port Au Prince  
Haiti, February 2010 & 2012

**\*\*\*\*Seven mission trips to the island of Hispaniola at this time.**

Pleasantdale Park District Little League Baseball, coach, 2004-present.

Pleasantdale Park District Basketball, coach, 2006-present.

Volunteer, Indian Guides Youth Program, 2007-2009.

Pleasantdale Park District Little League Board of Directors, Player Safety  
Coordinator, 2009.

### **Personal Interests**

Triathlons: I have completed 22 triathlons as of 2012, and completed my first  
half-ironman (Ironman 70.3) in August, 2012.

Tae Kwon Do, Hapkido

Swimming, fishing, skiing, horseback riding, camping, hiking and other outdoors  
activities.
